On behalf of the Board of Directors, Irish Culture Society of Virginia, I thank you for your generous contribution. Our effort to honor Colonel John Fitzgerald, the 18<sup>th</sup> century Irish immigrant, Alexandria City civic leader, Revolutionary War hero, and lifelong confidant of George Washington, is closer to reality because of Father Kelley Division's continued generosity.

The Society is a 501c (3) non-profit organization. Therefore, your donation is tax deductible. In keeping with IRS regulations, we state that no direct, tangible goods or services were received by you or any third party in return for this contribution.

In Friendship, Unity, and Christian Charity,

  
William R. Halpin
